Re: White v. Marshall, et al.  
Case No.: 07-cv-892  
Our File No.: 1202.003

Dear Judge Stadtmueller:

In response to an inquiry from the Court regarding the amount of fees being sought in conjunction with the motion for a default judgment against the limited liability company defendants, I have this afternoon filed a declaration with supporting exhibits that put the total of the fees being sought at \$55,582.25 per Exhibit B to the declaration.

Thank you for your consideration.

Yours truly,

John P. Fredrickson
